

## **Preparation of the Canadian position paper for the Renewable Energy and Energy Efficiency Partnership (REEEP) organizing meeting Washington DC (2003)**

**Client: REEEP**

SGA prepared and represented the Canadian position paper as background to the North American regional meeting of the Renewable Energy and Energy Efficiency Partnership (REEEP) which was launched at the World Summit on Sustainable Development (WSSD) in 2001. REEEP is an international network launched to further energy alternatives around the world.
